Groups

Children 9 to 12 years old

Language school in Jerez

We organize a programme adapted to children with dynamic Spanish classes and educational activities in the city while having fun. Jerez is an ideal city for students of these ages with regards to their safety and the friendly character of the Jerez people. We advise homestay accommodation, as they will feel like one more of the family.

Included in the price

- Placement test & programme designed according to needs
- Course material
- Welcome pack & free tour.
- Access to library and student area
- Assistance the entire stay.
